2. Purpose of the Issuance

ADR believes that the issuing of green bonds will further promote ESG considerations in its asset management and enhance our financing base by broadening our investor universe, especially for investors interested in ESG investment. It is with this belief that ADR today decided to issue the first green bond among residential J-RIETs. The Investment Corporation bonds will be issued as green bonds in accordance with the green finance framework ^(Note1) formulated by the Investment Corporation. Regarding the eligibility of the green finance framework, ADR has received a “Green 1 (F)” rating, the highest rating, in the JCR Green Finance Framework Evaluation by the Japan Credit Rating Agency, Ltd., an institution which assesses green financing.
