# 2. Purpose of the acquisition

#### 1) Reason

ADR will acquire the property pursuant to the target and policy of asset management as stipulated in its Articles of Incorporation, under the objective of securing stable earnings over the medium and long term as well as enhancing its portfolio in the Tokyo Metropolitan Area.

### 2) Property Characteristics

This property is situated an 11-minute walk from Wakoshi Station on the Tokyo Metro Yurakucho Line and

<sup>\*</sup> ADR concluded a status transfer agreement with ITOCHU Corporation today and will take over the status of Buyer on April 25, 2008 as stipulated in the beneficiary interests transfer agreement between ITOCHU Corporation and the Seller dated January 22, 2008. Further, ITOCHU Corporation falls under the category of an interested party of the asset manager. Please refer to "6.2) Asset Manager's Vested Interest in Assets to be Acquired" mentioned below concerning the overview of transactions with interested parties.

the Tobu Tojo Line and is a dormitory apartment exclusively for students with a total of 127 units managed and maintained by ITOCHU Urban Community Ltd. Due to the superior convenience of transportation from its nearest station, Wakoshi, it is easily accessible to urban centers including Ikebukuro, Ichigaya and Yurakucho. It also enjoys high demand from many students of Rikkyo University, Waseda University, Toyo University and other universities located along the railroad lines, and solid demand can be expected to continue in the future. Moreover, further improvement in convenience is expected since the Tokyo Metro Fukutoshin-Line is scheduled to open in June 2008, and will provide access to the three major sub-city centers of Ikebukuro, Shinjuku and Shibuya.

- (ii) Explanation of "Property Outline"
  - "Residence indication" for the location provides the residence indication. For real estate in trust in an area without a residence indication, the location of the land as indicated in the registry is provided.
  - "Lot number" for the location provides the lot number as indicated in the registry.
  - "Ownership form" provides the kind of rights held or to be held by the trustee for the real estate in trust.
  - "Site area" for the land provides the area of the land as indicated in the registry.
  - "Zoning" for the land provides the zoning classification given in Article 8-1-1 of the City Planning Law.
  - "FAR" for the land provides the ratio of the total floor area of the building to the site area as stipulated in Article 52 of the Building Standards Law and is the numerical figure determined by city planning in accordance with the zoning, etc.
  - "Building coverage ratio" for the land provides the ratio of the building area of the building to the site area as stipulated in Article 53 of the Building Standards Law and is the numerical figure determined by city planning in accordance with the zoning, etc.
  - "Total floor area," "Structure / Floors," "Use" and "Construction completion date" for the building are each pursuant to the entries indicated in the registry for the real estate in trust.
    - "RC" and "SRC" entered for "Structure / Floors" refers to reinforced concrete structures and steel reinforced concrete structures respectively.
    - "Use" provides the primary use out of the types indicated in the registry for the real estate in trust.
  - "Leasable floor area" provides the floor area of the portion of the real estate in trust to be acquired by ADR that is leasable as of March 31, 2008 based on information received from the current titleholder.
  - "Leasable units" provides the number of units of the real estate in trust that is leasable as of March 31, 2008 based on information received from the current titleholder.
  - "Breakdown of residential unit type" lists the types of residential units based on the following classification. The "dormitory type" is shown under "Other residential unit portion," and store, office and other uses aside from residential units are shown under "Other."

Residential Unit Type	Exclusive-Use Floor Area	Percentage of Portfolio
Single type	Less than 30m <sup>2</sup>	30~50%
Compact type	30m <sup>2</sup> or more, but less than 60m <sup>2</sup>	30~50%
Family type	60m <sup>2</sup> or more, but less than 100m <sup>2</sup>	10~30%
Large type	100m <sup>2</sup> or more	0~10%

- "Units" provides the leasable units of the real estate in trust categorized by the number of units of each type of residential unit that is leasable as of March 31, 2008 based on information received from the current titleholder.
- "Percentage of floor area" provides the leasable floor area of each type of residential unit expressed as a percentage of the leasable floor area of the real estates in trust as of March 31, 2008 based on information received from the current titleholder and rounded to the nearest whole percentage.
- Names in the "current titleholder" column indicate the beneficiaries that hold the beneficiary interests in trust (assets to be acquired) as of the date of this document or the titleholder of the real estates in trust as of the date of this document. "Previous titleholder" names the party that transferred the beneficiary interests in trust (assets to be acquired) or real estates in trust to the current titleholder.

## 6. Asset Manager's Vested Interest in Asset to be acquired

- 1) Concerning the abovementioned asset to be acquired, ADR is scheduled to delegate master lease and property management services in bulk to ITOCHU Urban Community, which is a Related Party of the Asset Manager. Accordingly, the procedures required in accordance with the bylaws have been completed in concluding the building lease and management agreement with ITOCHU Urban Community.
- 2) Although ADR had announced its intentions to buy beneficiary interests in this property, it requested ITOCHU Corporation for warehousing in January 2008 due to the time required to perform due diligence. ITOCHU Corporation owns 39.0% of the total number of shares outstanding of ADR's asset manager and falls under an interested party as defined in the Investment Trusts and Investment Corporations Law Article 201-1, and thus, with regard to this transaction, the procedures required in accordance with the bylaws have been completed. Further, warehousing consideration is 5,000,000 yen (exclusive of tax) and the total amount when added to the acquisition price falls below the appraised value.

(Note 1) Tokyo Central 7 Wards indicates the Chiyoda, Shibuya, Shinjuku, Meguro, Setagaya and Shinagawa wards of Tokyo. Tokyo 23 Wards Exclusive of Central 7 Wards indicates the 23 wards of Tokyo other than the central 7 wards. Tokyo Metropolitan Area indicates Tokyo (excluding the Tokyo 23 wards) and Kanagawa, Saitama and Chiba prefectures. Major Regional Cities exclude cities in the Tokyo Metropolitan Area.

(Note 2) The address is as per register.

- (Note 3) The acquisition price indicates the purchase price for the respective beneficiary interests in trust entered in the beneficiary interests transfer agreement, exclusive of taxes and public dues and acquisition costs. The amount is rounded down to the nearest million yen. Accordingly, the sum total of the itemized figures does not necessarily add up to the total value entered in the foregoing table.
- (Note 4) The portfolio share expresses the acquisition price of the respective real estate in trust, etc. as a percentage of the sum total of the acquisition prices for all real estate in trust, etc. The percentage is rounded to one decimal place. Accordingly, the sum total of the itemized figures does not necessarily add up to the total value entered in the foregoing table.
- (Note 5) When the property is acquired, please refer to "Notice Concerning Acquisition of Investment Assets", dated March 24<sup>th</sup>, 2008, for an overview of the property.
