2. Purpose of Acquisition

The Property will be acquired under the following objective based on NRI's regulations and investment policy.

(1) Objective To heighten the portfolio share in	the five central wards of
--	---------------------------

		Tokyo (Note) and thereby enhance the diversification effect of	
		the entire portfolio.	
(2)	Property	The Property is a recently built rental condominium with one	
	Characteristics	basement floor and four floors above ground located in a	
		luxurious quiet town area with many luxurious residences	
		within a ten-minute walk from Omotesando Station on the	
		Tokyo Metro Ginza, Hanzomon and Chiyoda Lines and	
		Gaienmae Station on the Tokyo Metro Ginza Line.	
		The Aoyama area, where this property is located, has a strong	
		brand image and is bustling. The area features retail	
		facilities that enjoy broad nationwide trade areas and also	
		many stores selling daily goods and sundries. The area	
		provides both a comfortable and convenient living.	
		The building and equipment specifications of the property are	
		of the same quality or greater than similar properties in the	
		surrounding area and the building boasts a superior design.	
		These factors make the competitiveness of the building	
		comparatively high and it targets singles including women	
		and DINKs (double income no kids).	

(1) Objective	To heighten the portfolio share in the five central wards of	
	Tokyo (Note) and thereby enhance the diversification effect of	
	the entire portfolio.	
(2) Property	This property is an approximately 18-month old rental	
Characteristics	condominium located a four-minute walk from Gaienmae	
	Station on the Tokyo Metro Ginza Line with one basement	
	floor and three floors above ground.	
	This property is surrounded by a quiet residential	
	neighborhood and is an area renowned as a residential area	
	with superior comfort. In addition, it, like L'air Minami	
	Aoyama, is near Aoyama Street and thus is bustling and	
	boasts many retail facilities with national trade areas. There	
	are also many stores selling daily goods and sundries and it	

This property boasts unique features such as maissonette units and features large windows on the basement and first floors. The property feels very open and enjoys adequate sunlight and average level building and equipment specifications. Strong rental demand can be expected centering on people working at foreign companies and individual proprietors who desire a comfortable residential environment in the city center that provides a residence near work

(Note) The five central wards of Tokyo are the Minato, Shibuya, Shinjuku, Meguro and Chiyoda Wards.
